

# LA 375

## Introduction to Architecture and Environmental Design

**June 19- August 13, 2017**

**Instructor:  
James Steiner, PLA**

**Tuesday/Thursday  
8:00am - 1:20pm**

**3 credits**

Explore the intersection between architecture, interior design and landscape architecture in this hands-on studio course.

Get out of the classroom and experience design first hand through site visits, field trips, and collaborative projects.
